ALPIN-CHALET LARGE

The new ALPIN CHALET "Large" is a combination between a classic ALPIN CHALET and the XL ALPIN CHALETs. It's almost the size of its bigger brother the XL ALPIN CHALET but has sleeping nests just like those in the classic ALPIN CHALET.

The architecture, style, furnishings and the equipment provided are the same as in the other ALPIN CHALETs with the ALPIN LOFT as a highlight, providing romantic living space under the open gables. Prior to that, is the large terrace with sofas, picnic tables and barbecue area.

On the ground floor of the ALPIN CHALETs Large in Filzmoos there is an indoor pool with sun terrace for all guests of the ALPIN CHALETs at this location.

In Kleinarl, an outdoor pool invites guests of the three ALPIN CHALETs Large to swim in summer.
